

Matthew 6:6

But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you.

Father God, while you want us to pray with others, what you are saying here is that you pay close attention to our private prayers. You desire private prayers because we pray these with honest and open hearts. We are not concerned with what others are hearing, not interested in making an impression, but only desiring that our prayer petitions to you are factual and real and will please you in our asking. Privacy between Master and servant, between Father and child. Help me to do this, to have private times with you even when I have a roommate. Hear my prayers, my secret prayers to you, and answer, I pray. Amen.
