

## **Psalm 103:19**

**The Lord has established His throne in heaven, and His Kingdom rules over all.**

**Father God, I bow my knees before you. You hung on the Cross as the sacrifice for our sinful world, you were buried in the grave to face and conquer death for us. You ascended from the grave to Heaven where you took your place on the Throne of Heaven to rule the world. You are on that throne today, Lord Jesus, and I am one of your subjects. You are ruler over everything that exists. I worship You. I worship You. I worship You, King of my heart and life, King of the world. Amen.**
