

## **Romans 15:13**

**May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit.**

**Father God, sometimes I am tempted to feel hopeless, that things will never change, that you have forgotten me. Sometimes because I feel forgotten by people I once shared with in my life, I am tempted also to feel that your love has changed for me too. Then I am without hope that things will ever change and I feel great despair. Holy Spirit, with the power that this verse speaks about, plant hope in my heart, so much hope it overflows to others around me who also feel forgotten. Give me and others the joy and peace that comes with hope in our hearts. This is my prayer today, Lord Jesus. Amen.**
