

## **I Peter 3:15**

**But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.**

**Father God, this command is to your followers and I am one. Everyday people watch and listen to everyday people out of curiosity and interest, often when they share things common in life. Reactions to difficulty and happiness can be very different. It is OUR HOPE that causes people to ask the question, ‘Why are you so happy and contented, so joyful and not worried about things?’ That question is often asked. Lord, my prayer is that you will work in me that my trust and hope and joy, coming from you, will allow me the privilege of introducing worried, fearful, uptight people around me to you, the GOD OF HOPE. Help me, Lord Jesus. Amen.**
