

## **I John 4:7-11**

**Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love. This is how God showed His love among us. He sent His one and only Son into the world that we might live through Him. This is love: not that we loved God, but that He loved us and sent His Son as an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another.**

**Father God, I know that love comes from you, because you are love. The Bible says that. I thank you for loving me, not because I have done good things or am a good person. You love me because you are a God of love. I will never be able to love like you unless you teach me and equip me to love others. I confess that often I am selfish and not loving to you or any person, because I feel angry or disappointed. Please forgive me and give me a heart that loves others. I pray in the name of Jesus who died for my sins because He loves me. Amen.**
