

## **Psalm 103:3**

**...who forgives all your sins...a benefit,**

**Father God, thanks for spelling out those benefits, forgiveness for my sins (sins which are many), you have forgiven and removed as far as the East is from the West and you hold them against me no more. You remember them against me no more. If this were the only benefit, Lord, I would weep before you, regretting to have sinned against you and against others. But the page for my life upon which were written my sins has been wiped clean because Jesus died to pay the penalty for my sins. I thank you, Jesus, for dying for my sins. Thank you for such an awesome benefit. Amen**
