

Spiritual Care Message with Prayer

SEEING HIS GLORY, THE GLORY OF GOD:

To see God in everything, to see God's glory in our present world we must be God-conscious. How are we kept, restrained from being God-conscious?

ANSWER: BY OUR PERSONAL INVOLVEMENT WITH THE WORLD, THE FLESH, AND THE DEVIL.

Too busy, too enraptured and connected with this world, too dependent on people, filled with the philosophy of the world around us, believing lies of the devil, listening to him, holding onto the wrong hand, preoccupied by the 'things' of this world to the exclusion of the Glory of the Godhead, living in the feelings of our emotions, believing God cheats us out of what we rightly deserve, ignoring His communications and signals, trusting our own judgments and powers, and those of other human beings. Sometimes, even as Christians, living as though He does not exist.

DAILY FOCUS OF LIFE MUST BE GOD & WILL MEAN STAYING IN TOUCH WITH HIM, GIVING PRIORITY TO:

- Abiding in Christ
- Prayer life
- Reading and soaking our minds in His Word
- Watching for Him, for His coming
- Dedicated senses, tasting, seeing, hearing, touching
- Obedience, daily obedience
- Walking, being led by His Holy Spirit

Prayer:

Father, while I live and work in this world, with the human connections of the heart, with work and many responsibilities to care for...still, in my heart of hearts, I long to SEE YOU IN EVERYTHING. Show me the way, teach me how to do this...Show me yourself, dear Father, Amen
