

II Chronicles 7:14

If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from Heaven, and I will forgive their sins and will heal their land.

Father God, I would like to be one of those among your people to pray for our country. You are talking to your children in this Scripture...it is to us you are saying we are to humble ourselves and seek your face and turn from wicked ways. It is to us, to me, Lord, you are saying that it is then you will forgive sins and heal the land. We have many sins, against you and against others...not hard to see this. Give me a spirit of repentance...give your children across our country repentant hearts. Help me and help my countrymen to seek your forgiveness for our sins. And, Lord, give us power and might to turn from wickedness to a righteous lifestyle. Help us want to please you, to intend to obey you so our land may be healed. We need healed, Father...I pray for this healing to you. Amen.
